Colleges and Universities at SUSIE MATHEWS ABNEY and ASSOCIATES FOUNDATION

The Abney Foundation Colleges and Universities

Higher education is the primary focus of <u>The Abney Foundation</u>. We are proud to have Abney Foundation Scholarship endowments at fourteen colleges and universities across the <u>state of South Carolina</u>. Over \$27,000,000 has been awarded to 12,865 Abney Scholars, including <u>568 students</u> for the academic year 2013-14. The combined endowment balances exceed \$38,475,000.

The Abney Foundation makes grants to fund these endowments; however the schools administer the scholarship programs themselves. You may contact the financial aid department at the school you're interested in to see if you qualify.
